WAYS TO WORK TOGETHER

Start with the right *size of question.*

Focused research. Clearer priorities. Evidence you can inspect.
INR base fees before applicable taxes. Final scope confirmed in your proposal.

Visibility & Enquiry Pilot

INR 14,400

One domain, one buyer question, up to ten pages. Up to five findings, one priority-page draft (up to 1,000 words), an enquiry recommendation and one consolidated revision.

Uses supplied evidence. Fresh AI sampling, design/build work, publishing, ongoing monitoring and paid tools are separate.

AI Visibility Audit

From INR 45,000

One domain, one priority audience, an agreed evidence set, an improvement brief and one consolidated revision.

Fresh collection, additional platforms and paid tools are quoted separately.

Ongoing support

From INR 30,000 / month

One evidence review, one priority-page copy update and one review call for one domain.

Collection, additional content, implementation, publishing and paid tools are agreed separately.

A free snapshot starts with an agreed question and evidence scope. Fresh sampling and all-platform coverage are not automatically included. A review does not guarantee rankings, citations, enquiries or revenue.
